Mrs. Symmers — TO WHOM WE DEDICATE THIS BOOK

She is full of energy and vitality, always willing to do my task given her to the best of her ability, without my expectation of reward. She is understanding, sympathetic, sweet and kind.

Because of these qualities and the wonderful conscientious way in which she has handled the advertising for our yearbook, we, the Smithsonian Staff dedicate the 1951 yearbook to Mrs. Fannie Symmers.

She is truly one of the brightest threads in the fabric of our life.

Junior Class

Presenting your Junior Class officers. Jimmy Tolleson
Vice President, Miss Cordova, Sponsor, Pat Sweetman, Sec-
retary, and Bobby Braden, President

You're finally a Junior! What a year! It's one filled with parties, dances, and the Junior-Senior prom. Being in the Junior class was next to your biggest thrill thus far. But as the year drew to a close and you looked forward to the next year, you knew that your senior year would be the biggest thrill. There was much work in store, but you were willing to tackle it.

Is it a credit or a debit, Mr. Hill?
Here you see a busy bookkeeping class
with Mr. Hill helping Loretta Walter

Looks as though cheerleaders Pat Archer
and Dot Smith are in the "swing" for a
good cheer.

The Sophomore Class of '54

Smith High is mighty proud of its active Sophomores this year. Looking around school, we find them in every phase of activity: band members, majorettes, cheerleaders, Senator and Smithsonian staff members, and many others.

Although the Sophomores presented a terrific show for stunt night they were edged out by the Freshmen

All of this year's Sophomore class is valuable to the future of Smith High School. With two years more before graduation the Sophomores have a busy schedule filled with work and play ahead of them. Therefore, it is up to them to keep up the good work in the future years that they have portrayed in the past.

G.E.S.

Now we are full-fledged Freshmen and proud winners of our first undertaking together, our big show—"The Goose Club." This show featured various renowned celebrities as well as some few who took part under their real names. The musical show was ended with Sgt. Friday and his well known *Facts*. Work, tears, and joy were all a part of our skit which brought a great measure of happiness to the Freshmen.

You felt grown-up now that you were actually entering high school; that is, until that first morning at Smith. Were those your knees knocking? How small and unnecessary you felt those first few weeks as a Sub-Freshman running around the school in a fuzzy trying to get to class on time and not being able to find the class.

Every time you saw a Senior, Junior, or even a Freshman for that matter, you again felt that same twang of smallness.

But then Baby Day rolled around, the day dedicated specifically to you, the Sub-Frisbee. You'll never forget that one day in the whole pattern of your days at Smith. With lollipops, dolls, teddy bears, water pistols, and dressed in short pants and frilled dresses you captured the attention of all. Right then you no longer felt unnecessary. You were now a part of the wonderful crowd of Smith kids.

After much deliberation of the Baby Nut Talent

Show, with all the terrific acts, Katherine Smith was named Baby of '53.

You remember, too, what a grand job Miss Hollbrook who being a new teacher at Smith was also a "baby," did as sponsor of the class. You also remember the election of class officers and the spirited campaign you had with the final emersion of class officers being: President, Tonia Peppers; Vice-President, Sherwin Durham, and Secretary, Bill Hood.

The year was drawing to a close and you look back over the fabric of the days of your first year of high school with pride. You look forward to the summer vacation with glee, but with more anxiety to the fall when you'll be coming back to Smith not as a "baby" but as one of the crowd.

You'll then be a year older and a grade higher, but you'll never forget those glorious days of being a "baby" at Smith High.

Our Administration

The Smithsonian is grateful to our fine administration for making it possible for us to have a school of which we are justly proud.

In 1953, at the State Music Festival, our band won a rating of excellent. In the Fifth District Music Festival, three of our majorettes won a superior rating and three won a rating of excellent. Smith led the

state in Scholastic Art Awards last year. Our military R.O.T.C. Unit has had a Superior Honor Rating for the past five years. Our school newspaper, The Senator, has won an award for excellence from International Quill and Scroll for four consecutive years. The Smithsonian was one of the two high school year-books in Georgia to win medalist rating at Columbia Press Association for the 1953 book.

Our Staff

The main office of our school is managed by Mr. G. L. Keith, our beloved principal. Assisting Mr. Keith are the secretaries, Mrs. Dorothy Weber and Mrs. Mary Plunkett. The librarians, Mrs. Dorothy G. Wallis and Mrs. Lois Sue Camp, assist the faculty by helping the students to select the books most useful to them. Mrs. Frances Lewis renders well her services as school nurse. Our wholesome, delicious meals are prepared by Mrs. Marjorie Hooks, our very capable dietitian.

The faculty, which is responsible for the things we learn while in school and the things that will stick with us for many years to come, form for us both the warp and the woof of our high school days.

Our yearbook brings back to us the fabric of our school days as they were woven during the past year. The members of the 1954 Smithsonian Staff are proud of the fine job we have accomplished in publishing the '54 Smithsonian. We are especially proud of the pictured advertising section, which we have used for the first time. We were pleased with our 1953 yearbook, which won the Medalist Rating at Columbia Scholastic Press Association and only hope that we can meet the same high standards. We take this opportunity to thank the students of Smith High for their fine cooperation in producing this year's Smithsonian.

The Senator will be distributed tomorrow." This is a very familiar announcement to all Smith High students.

We at Smith are very proud of our fine Senator staff. Advised by Mrs Catherine McKee, the staff produces about ten editions of the Senator each year. A lot of credit goes to Miss Pritchett, the circulation adviser for the Senator. She makes sure that each Senator subscriber gets his copy of the paper on schedule. Miss Harvey assists with the ads each month.

By working very successfully together, both the editorial and business staff have entitled the Senator to hold many top awards.

Though light and inexperienced as they were, the 1953 team turned in one of our finest seasons.

In the opening game, Smith was edged by Columbus 13-7. Claude Shadix scored for the Smithies in the second quarter.

West Fulton was the first team to fall in defeat to the Fighting Smithies. They were rolled over 25 to 0.

Smith pulled one of the big upsets of the year by tying Grady, who later became the State Champs 6-6. Delano Brannon scored on a pass from Billy Hall on the third play of the game.

The second victim of the Smithies was Sylvan. The score was 13-7 and Smith was picked by many to take the Southside Championship.

The second defeat for the Blacksmiths was at the hands of Lanier in Macon. The score was 28-0.

Back home for the sixth game of the season, the Smithies dropped Fulton 13-7.

North Fulton came up next. They were a strong team and showed all their strength by trouncing our boys 20-0.

The next opponent was Brown, with whom we were tied for the divisional lead. Brown took the lead by trouncing us 13-7.

Southwest was another team which couldn't keep up with the Smithies. We came out on top of a 21-12 score.

In the final game of 1953, a surprising Roosevelt team upset the Smithies 18-6. This thereby knocked us out of the Southern Division Championship.

The boys are due many thanks for the fine season they gave us. We'll never forget this year when we tied the State Champs, Grady, and defeated the Southern Division Champions, Sylvan.

But win or lose, our boys always played a great game of ball—and the Fabric of our Lives is stronger because of the exhibits of teamwork and courage they showed us.

The South basketeers hit the head lines for sure this year. The Smithies topped the City League Championship and our hoopsters fought their way to the finals of the State Tournament, taking second place.

The Smithies had a great season winning 26 games and dropping 6 to city league play the Blacksmiths ended up at 11 wins and one loss losing only to Brown, with whom we shared the championship.

The "Big Three" of the team Bobby Keanum, "Lefty" Braden and Gilbert Adair were heaped with honors. All three made All-City. Keanum and Braden were picked on the All-State team.

Thank you, Smithies, and you too Coach Watkins for a great season. We are looking forward to another one next year.

The exciting O'Keefe vs. Smith game was loaded with thrills and spills for both sides.

B Team

Was basketball ever like this?

The Smith High "lassies" didn't spend much time in the limelight, but there was a very apparent improvement over last year. They ended the league season in a tie for 8th place.

After this, they went on to gain the finals of the A.A.U. Tournament, finally ending the basketball season as runner-up to the A.A.U. State Championship.

In the library now sits the first trophy contribution from the Girls' Basketball team. Thanks a lot, girls!

Morris Vaughn, Bobby Keanum, Claude Shadix, Donald Ford, Billy Hall, and Gilbert Adair are some of last year's outstanding players who are back again this year. There are several newcomers to the team this year who Coach Erwin predicts will make outstanding players. They are: Edward Ginn, Bobby Braden, Bobby Lockridge.
